LUNA 49

# LUNA 49

## LUNA 49

- Precision, dedication and advanced technology ensure that every yacht is absolute perfection.
- The interior layout is very open, very spacious and elegant. There are fine materials wherever you look.
- A genuine sense of safety, a sporty edge combined with elegance, and an ergonomic design with high levels of workmanship invested into every component.
- The exceptionally functional deck is comfortable, allows freedom of movement, and connects the mess cabin with the cockpit to ensure ample space to host glamorous parties on board.
- There are also a number of additional equipment options that allow you to personalize your vessel, gearing it to meet your specific and exacting needs.

LUNA 49

## CONCEPT

LUNA 49 is the luxurious custom yachts, that has been created to suit those who value high levels of comfort, the best in quality and an individual, elegant style.

We are using the best materials and components.

The result is a light and stiff boat with a great lifespan and resale value.

With its trustworthy quality, functionality, great nautical characteristics and sports-like design, the LUNA 49 will appeal to the whole family. It packs all that you need to maintain a comfortable retreat in the world's most beautiful locations. It features spacious cabins with bathrooms, a stylish mess cabin and a unique cockpit.
