# 01

## THE CALL OF ADVENTURE. THE PERSISTENCE OF DREAMS

The journey towards freedom starts with a feeling.  
A stirring, deep in your soul. The wilder places.

The unexplored shores. An irresistible yearning, drawing you  
ever closer to your essence. To the inner adventurer residing  
at your core.

## A LIFE UNTETHERED

### WE KNOW THE FEELING

At Knysna Yacht Company, we may be creators of unique,  
world-class multihulls, but we know all about the pursuit of  
freedom.

We understand the pull of the ocean. An autonomous  
existence. We understand because we're detail-obsessed  
yacht builders and explorers at heart.

The quiet magic of balmy nights, floating under  
a star-filled sky. The thrill of the next adventure,  
waiting just beyond the horizon.

ADVENTURE BECKONS.  
WILL YOU ANSWER THE CALL?

## DESIGNED FOR PERFORMANCE. FITTED FOR COMFORT

Fully equipped as a complete liveaboard, the Knysna 500SE is a sleek and solid 50-foot sailing catamaran. Designed to perform and fitted for ultimate comfort, this sporty, sophisticated yacht offers you every modern convenience. With utmost consideration given to safety, performance, manoeuvrability and stability, the Knysna 500SE was designed for bluewater sailing and adventuring.

## FROM MOMENTS TO MEMORIES

Entertaining, celebrating or simply relaxing, the Knysna 500SE's spacious and elegant saloon and galley area is where you will enjoy some of the best times of your life.

Both the galley and saloon offer modern convenience in a stylish and practical living space.

It is a perfect hub for cooking, dining, socialising and creating memories. The saloon sliding door opens entirely to ensure a free flow from the cockpit area to the saloon.

### KNYSNA 500SE FEATURES

- Modern, light-weight yet robust design
- Luxury finishes throughout
- Customisation based on extensive client consultation
- Superior client care and after-sale service
- Comprehensive voyage-ready standard specification

*"I stand on the deck and I'm still pinching myself. Where we are right now is on cloud nine, having launched this beautiful yacht."*

*Steve Rogers, Owner, Tsalta*

## SAILING THE DREAM

### THE KNYSNA 500SE'S COCKPIT WAS DESIGNED TO ALLOW SOCIALISING WHILE AT THE HELM.

It is a comfortable, well-designed space, superbly protected from the elements. At the helm you will have an excellent view of your sails and all four corners of your vessel, as well as unobstructed vistas of the ocean.

Navigate island-hopping adventures, explore the region's best diving spots or just enjoy some mellow cruising, all while steering towards your next destination.

### ADVENTURE, TOGETHER.

Think leisurely lunches or sundowners after a long day in the sun. From a wetbar/icemaker to state-of-the-art sound, this area is stylishly kitted out with all the essentials for perfect outdoor entertaining.

### COCKPIT FEATURES

- 15.4m<sup>2</sup> cockpit area with Flexiteek decking
- 8-seater Burmese teak table
- Robust coach roof with sliding glass ventilation hatches
- Solid fibreglass hardtop with roll-down spray dodger
- LED downlighting (entertainment area)
- 2 x waterproof Fusion speakers
- Ice maker/wet bar and cooler box
- Equipment gear lockers
- Roll-down blinds for full or partial enclosure
- Hot/cold transom shower
- Access to life raft on transom
- Sun lounger
- Gas BBQ

### MASTER CABIN FEATURES

- Air conditioning
- Flat-screen television
- Open-ended double berth with overhead downlights and reading lights
- Spacious, private head
- Large shower area
- Captain's desk with power points for laptop and navigational gear
- Ladies' vanity area with mirror and power points
- Dressing area with shelving and hanging lockers
- Electric fan (optional)
- Stereo sound (optional)

## LIFE ON WATER

### IMMERSED IN LIVEABOARD LUXURY

When the ocean becomes your playground, your cabin offers a retreat from the occasional bustle of onboard life. Comfort matters, as does style and quality.

The master cabin offers the practical convenience of a captain's desk for your laptop and navigational gear. It also has ample storage space and a well-lit ladies' vanity area. Large windows invite natural light, offering breathtaking views of the ocean. Choose between plush carpeting or marine floorboards for this area, and select the finishes that will make your master suite a unique haven on the water.

You will have the option of using one complete hull as a master suite, while two spacious en-suite guest cabins will ensure that friends and family stay in comfort and enjoy a good night's rest.

## A LAYOUT FOR YOUR LIFESTYLE

### DOUBLE EN-SUITE CABIN FEATURES

- Open-ended double berth with reading light
- Air conditioning
- Dressing area with shelving and hanging lockers
- Mirror and power points
- Electric fan (optional)

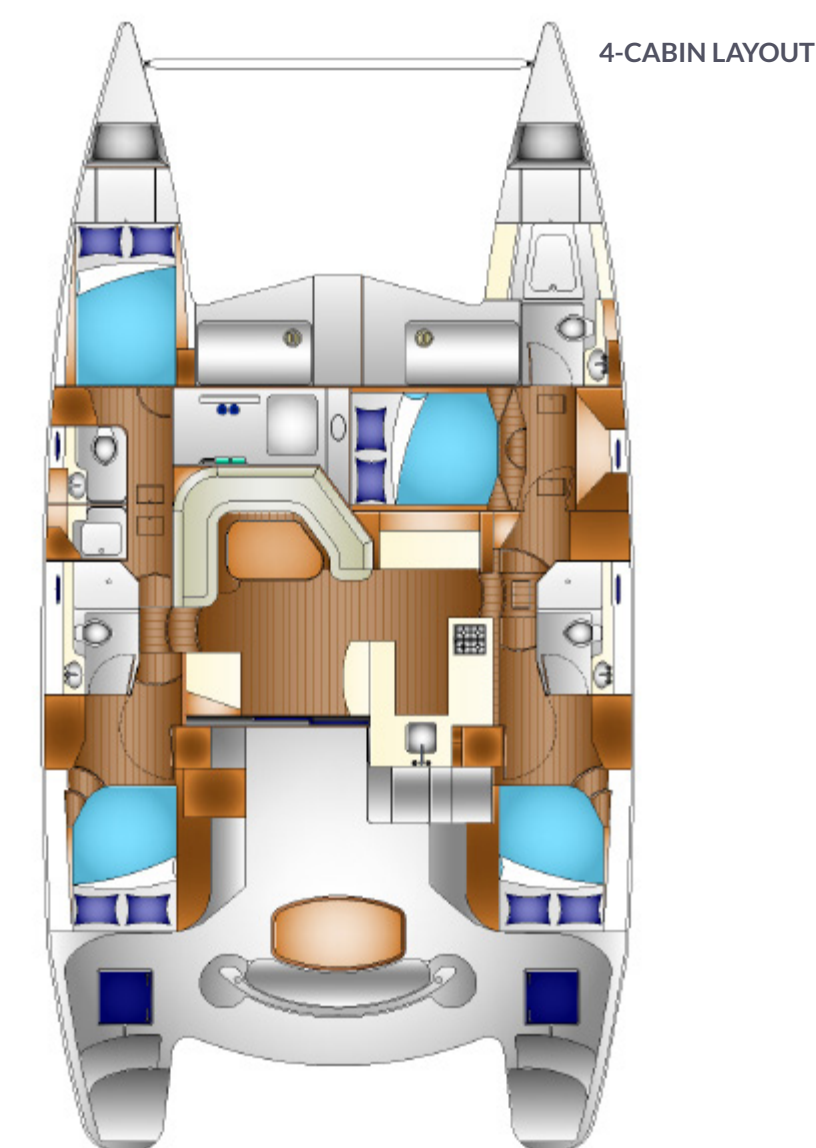

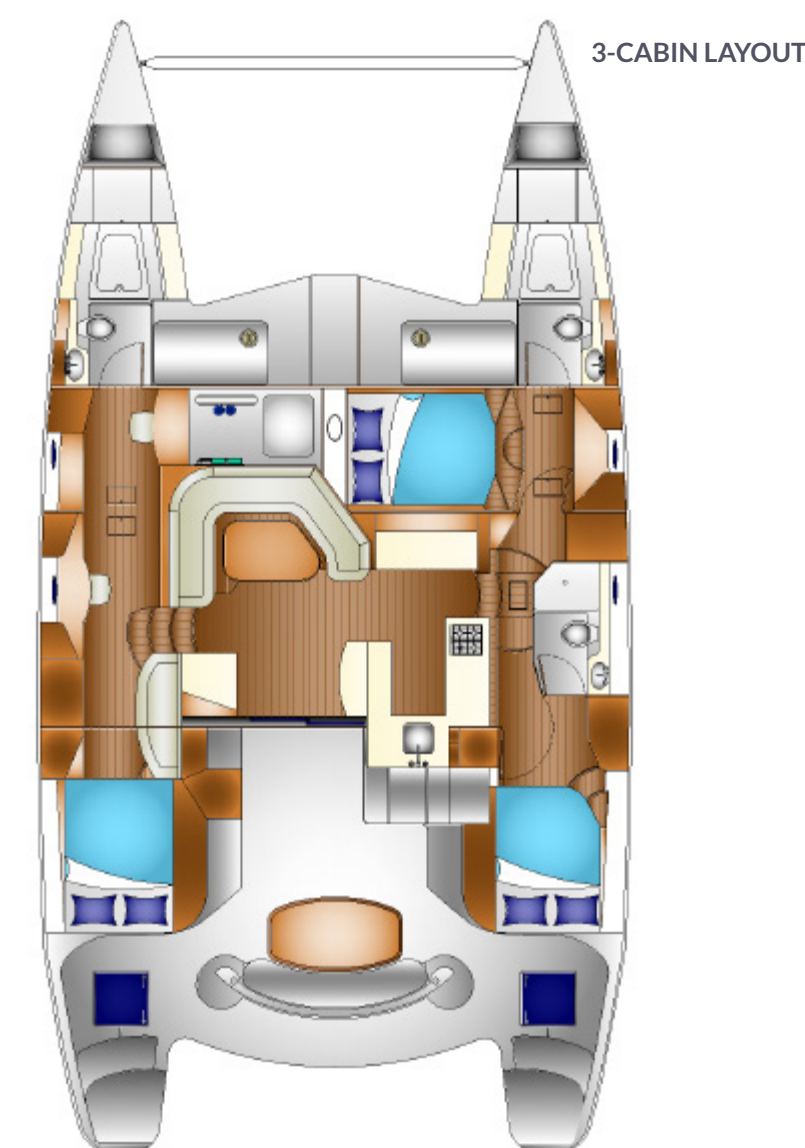

**THREE CABINS OR FOUR? FAMILY LIVEABOARD OR CHARTER INVESTMENT?**  
Another advantage of the boutique yacht manufacturing experience is the amount of choice you have in the layout of your vessel. Making a permanent transition from land life to water living? Looking into chartering your catamaran during the year? Everybody's lifestyle is unique, as are their onboard-living requirements. You can opt for a spacious master suite and two double en-suite cabins, or four double en-suite cabins. The choice is yours alone.

### 3-CABIN LAYOUT

The 3-cabin layout uses the port hull for the spacious and elegant master suite. The starboard hull will accommodate two comfortable double en-suite guest cabins, ensuring guests a great night's rest.

### 4-CABIN LAYOUT

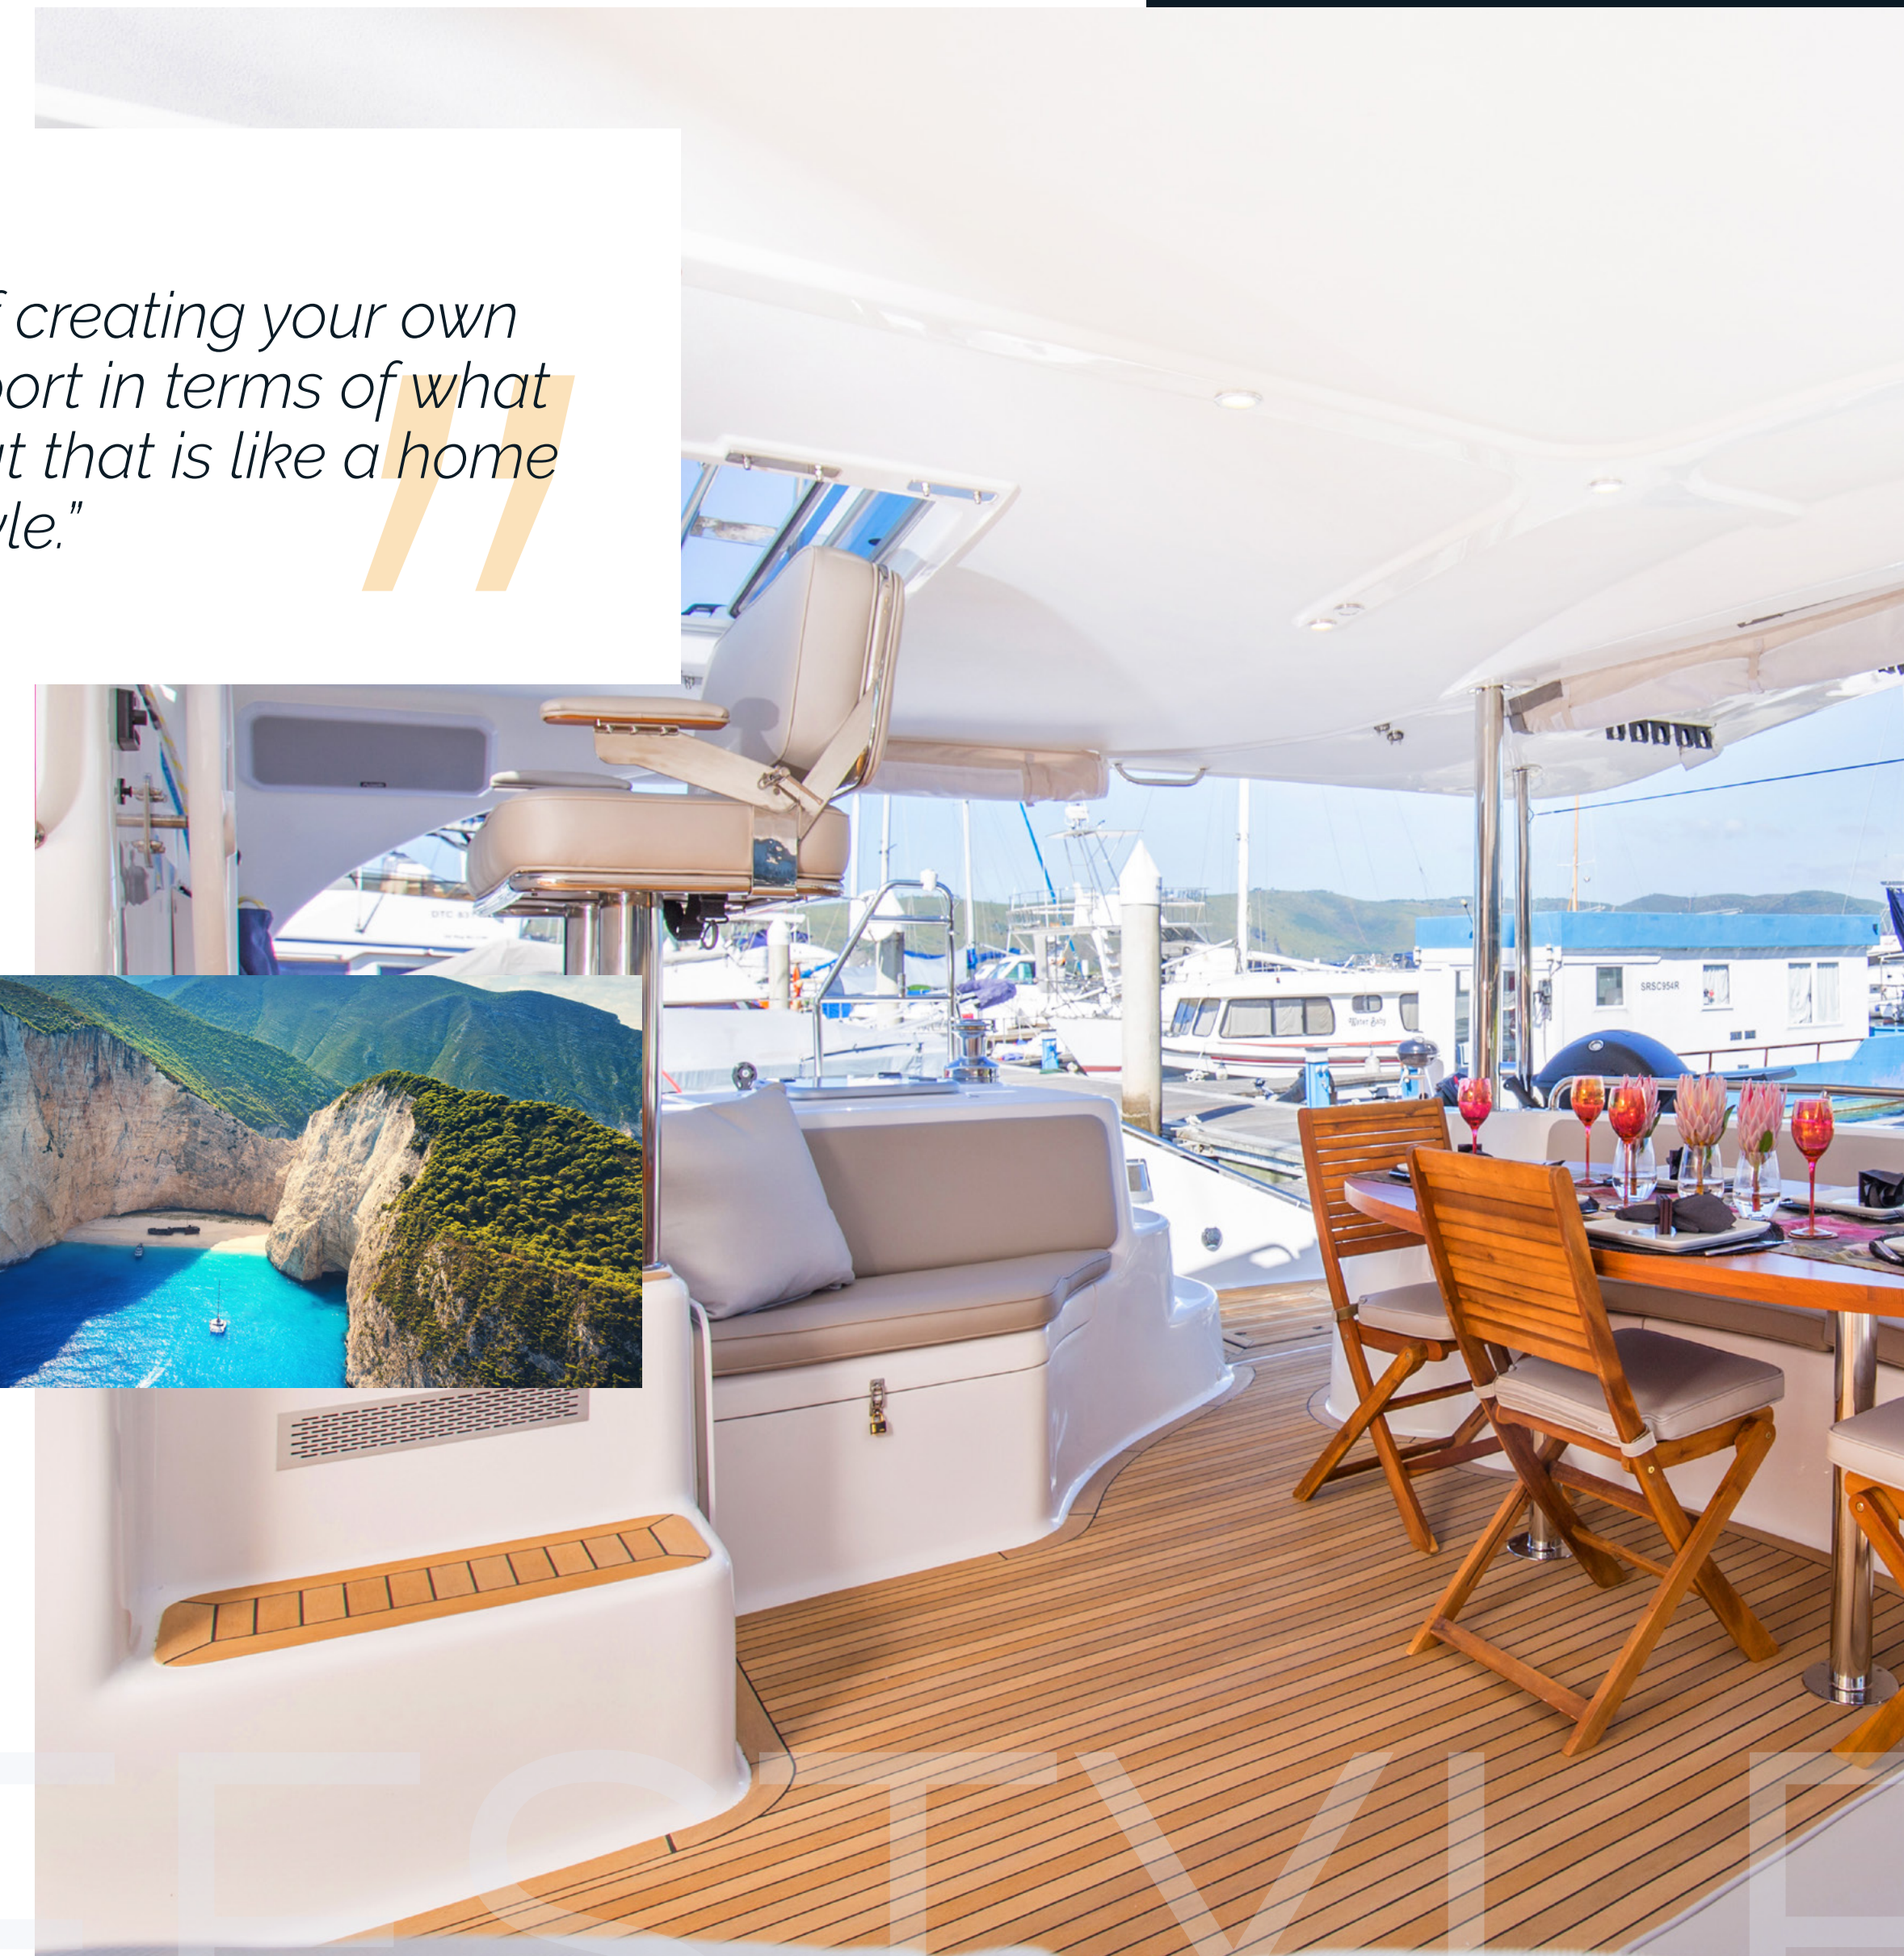

The 4-cabin layout allows for four double en-suite cabins, two to each hull. All cabins are fitted with high-quality trims and finishes and offer comfortable, open-ended double berths with reading lights and air conditioning.

*"It was wonderful to have the option of creating your own environment. There was so much support in terms of what was possible. We ended up with a boat that is like a home to us, a boat that really suits our lifestyle."*

*Melani Davis, Owner, Pura Vida*

YOUR TRAVEL IDEAS

## TECHNICAL MATTERS

### THE EQUIPMENT ROOM

Gain easy access to essential equipment and components for servicing. The room is well ventilated and soundproofed, keeping unwanted noise to the absolute minimum.

It also offers safe stowage space for your safety box and other personal equipment.

## BUILDING YOUR DREAM

### WHY SHOULD YOUR YACHT BE JUST ONE MORE AMONG MANY?

Your Knysna 500SE will be constructed at our modern facility in Knysna, a historic coastal town on South Africa's beautiful Garden Route. Here, in a safe, controlled environment, your yacht will be carefully constructed by an experienced team of expert craftsmen.

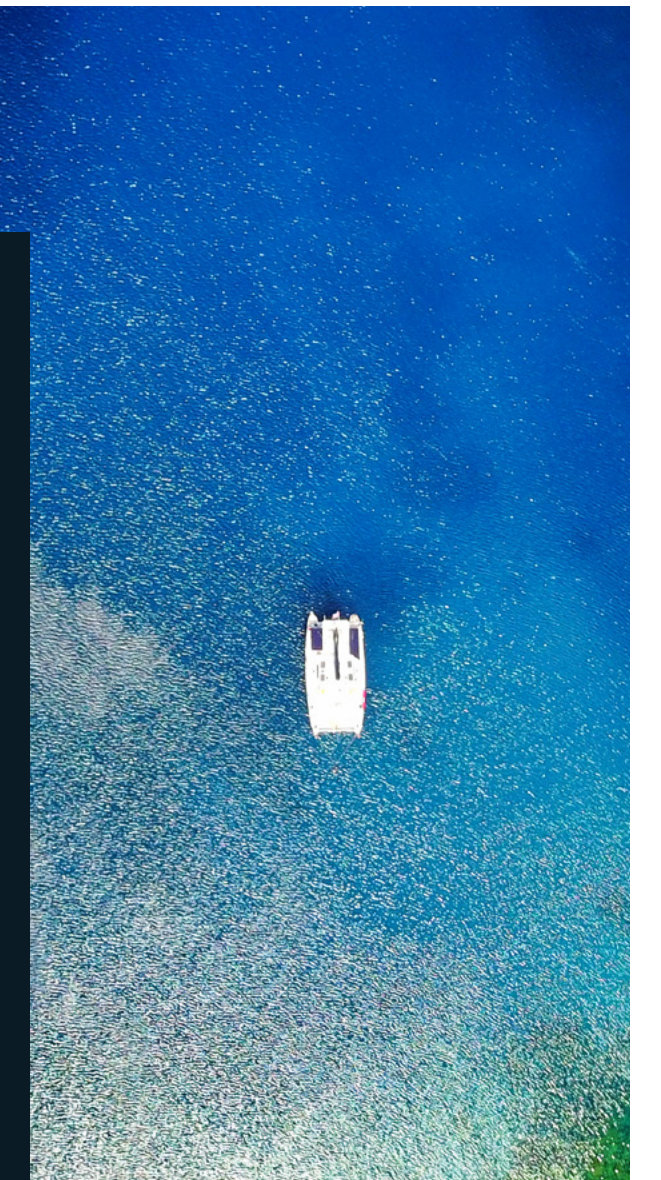

Since our inception in 2001, we've been committed to working closely with clients in establishing their preferences regarding layout, interior trims and finishes and other customisation requirements.

Hallmarks of our manufacturing process are the use of top-quality materials, superior workmanship, exceptional skill and the utmost attention to detail.

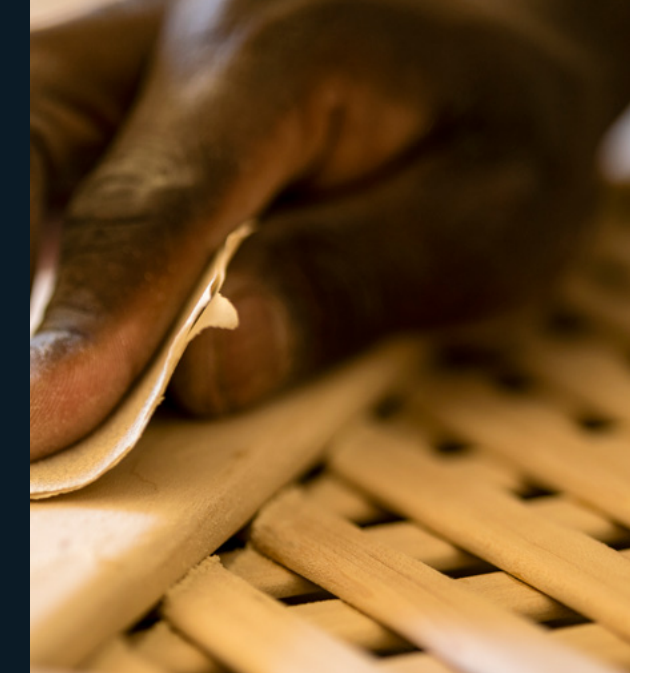

### EQUIPMENT ROOM FEATURES

- 100 L modular water maker
- 7 kW generator and AC inverter
- Fuel polishing system (optional)
- Solar installation (optional)
- Lithium-ion house battery bank upgrade (optional)
- Additional space for tools and equipment
